PRODUCT NAME:

GRT™ Belt Adapter

PART NUMBER:
GRT-BA001XX

GRT BELT ADAPTER WITH MULTI BELT STABILIZER (MBS)

1 The MBS allows you to adjust for belts ranging from 1.50" to 1.75"

2 For a 1.75" wide belt, make sure the 1.75" end with the arrow is pointed downwards.

3 Line up the notches of the MBS and press down until both sides are snapped into place.

4 To release the MBS, place both hands on the front side of the Belt Adapter and press down gently.
