PRODUCT NAME:

Tourniquet Pouch

PART NUMBER:

PFM-TP

PACKAGE INCLUDES:

Tourniquet not included.

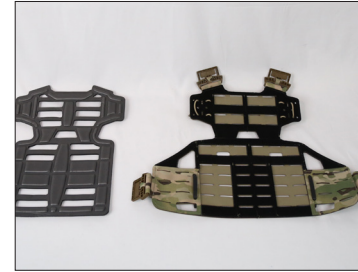

NOTE: Also attaches to 3 Mag, 2 Mag, Side Plate Pouch, Cumberbund, or Fanny Pack, as long as the pouch has Velcro backing.

Attaches the same to all the S&S Carriers—PF-M, Plateframe, PF-R, CR-M, MTH and ATH (shown in instruction pics).

ATTACH POUCH TO THE ATH™

- 1** Place your tourniquet into the elastic loop of the Tourniquet Pouch.

- 2** Remove closed cell comfort foam from the inside of the ATH abdominal panel.

- 3** Attach Tourniquet Pouch to the center Velcro on the bottom of the abdominal panel so tag is on the inside.

- 4** Reattach the closed cell comfort foam.

- 5** Full assembly of the Tourniquet Pouch attached to the ATH.
