NB-ZF01XX
NB-FL01XX

ATTACHING CHEST HARNESS SYSTEM – sold separately

1 Neck and chest straps come with 4 split buckle attachments.

BACK VIEW — NECK STRAP LOOPS — CHEST STRAP LOOPS

2 Locate 4 loops on the back of the ZipFlip Pouch. Top 2 connect the neck strap and the bottom 2 connect the chest strap.

3 Slide the first half of the split buckle into the top loop. Squeeze the loop to fit over the other side of the split buckle. Repeat with other 3 straps.

TIP: use small screwdriver to squeeze loop if more pressure is needed.

4 Attach strap buckles to split buckles and adjust to fit.

## ATTACHING PTT WING TO ZIPFLIP™ – PART NUMBER: PFA-PTTW001

HOOK SIDE

LOOP SIDE

1 Locate Velcro pocket on the back of the ZipFlip™.

2 With the LOOP SIDE facing upwards, push the PTT Wings through the Velcro pocket.

BACK VIEW

FRONT VIEW

3 Secure the PTT and cables with integrated bungee.
