

END USER INSTRUCTIONS - READ BEFORE USE

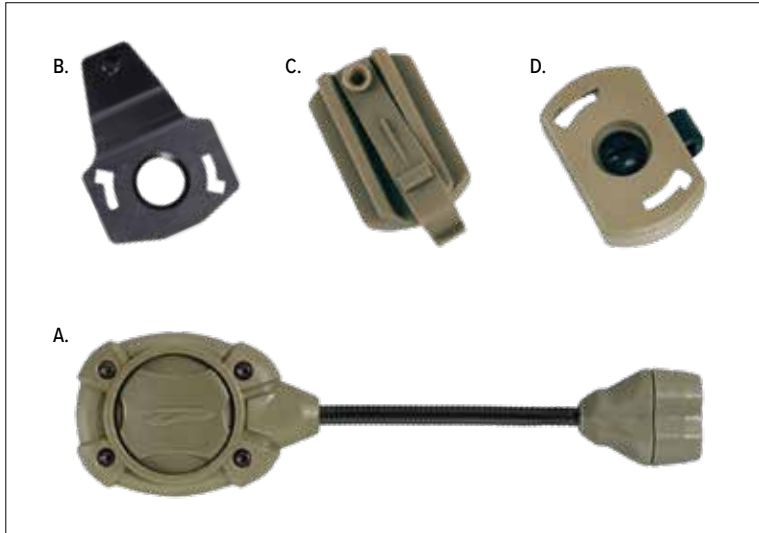

PRODUCT NAME:

Task Light Helmet Mount Kit

PART NUMBER:

SSP-PT-MPLS-HM-0001OD-1

KIT INCLUDES:

- A. Princeton Tec - MPLS Switch Helmet Light (Green/White Ultrabright)
- B. S&S Precision Aviation Light Mount (SSP-ALM)
- C. PT Arc Rail Mount
- D. PT Helmet Mount

1

Remove the screw where the Aviation Light Mount will be attached.

2

Use the same screw to attach the Aviation Light Mount as shown above.

3

There are two knobs on the underside of the Task Light that fit into the female counterpart on the Aviation Light Mount.

4

Match the Task Light connection knobs to the Aviation Light Mount as shown above.

5

Finally, rotate the Task Light to lock it into position on the Aviation Light Mount.
