

NAVBOARD®

FlipMod™

The FlipMod™ is now available in a fixed horizontal orientation while allowing the GPS/altimeter panel to be reconfigured using an adjustable friction hinge to fit the user's preference. It can be stowed close to the user's body when in freefall or deployed in an open position.

- Low profile, compact design
- Provides hands-free navigation
- Modular design and orientation
- Optional spacer included to accommodate thicker devices
- Flip-down large panel (6.875"x5") is designed to fit plus size smart devices
- Suunto (no bezel) or Oceanic (bezel) compass options available

GRT™ Belt and Webbing adapters included

COMPATIBLE WITH S&S PRECISION PLATEFRAME™, PF-M™, PF-R™, STANDARD MOLLE/PALS WEBBING SYSTEMS, AND PARACHUTE HARNESS STRAP
