PRODUCT NAME:

# Grenade Launcher Holster

PART NUMBER:  
GLH-003XX

## PACKAGE INCLUDES:

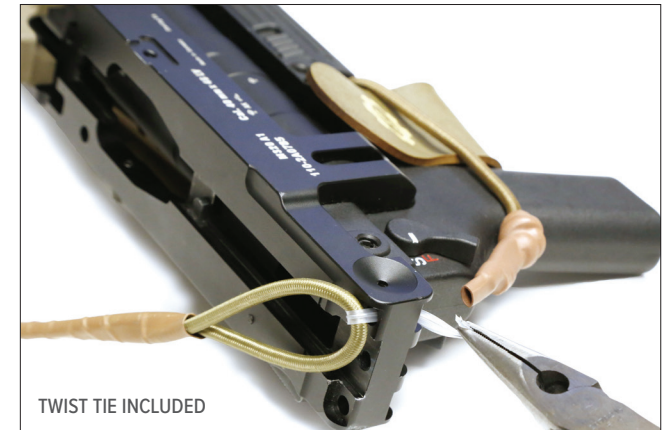

## HOLSTER USE

- 1 Position Grenade Launcher barrel onto puck and O-ring to seal out dust and foreign particles.
- 2 Once seated onto the puck, rotate the grenade launcher rearwards towards the trigger guard clamp until the clamp clicks into place.
- 3 Feed the pistol grip bungee over the grenade launcher's pistol grip. This will prevent the weapon from rotating forward and overriding the clamp.
- 4 Use the appropriate GRT™ Reinforced Adapter to mount the holster.

## ATTACH OPTIONAL BUNGEE

- 1 Use twist tie to pull bungee sling through GLM hole.
- 2 Discard twist tie and girth hitch bungee back through itself.

**NOTE:** Right-Hand Holster Shown.
