

END USER INSTRUCTIONS - READ BEFORE USE

PRODUCT NAME:

NavBoard® FlipLite™ Harness

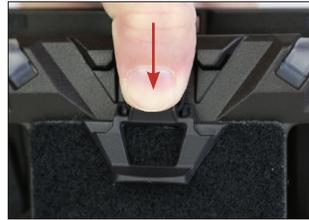

PART NUMBER:

NB-FL02-H

PACKAGE INCLUDES:

PREPARE FLIPLITE FOR JACKET, HARNESS, OR CARRIER

1 Push down on bungee lock to release.

2 Flip up bungee lock and release. Open FlipLite.

3 Release the two mounting straps. FlipLite is ready for mounting.

ATTACH FLIPLITE TO HARNESS

1 Unbuckle harness shoulder buckles. Feed mounting straps from FlipLite into the uppermost slots of the harness front.

2 Pull mounting straps through bottom slots of harness front.

3 Fold the mounting straps up and lock into FlipLite by pushing down into grooves.

4 Fold up FlipLite and pull over bungee lock. Connect harness shoulder buckles.
